We Deaf people in Islington and rest of UK and Wales demand the Government to agree our three conditions.

- **to abolish Clause 14(4)(8-9), that create a Nazi legislation Human Fertilisation and Embryology Bill to prevent deaf or hearing parents to have deaf children, and reducing deaf people in population. STOP EUGENICS! (Stop return to 1933 German law to sterilisation to deaf people.**
- **to introduce a legislation to recognise British Sign Language as official language in UK, Wales, and Scotland bring deaf education, deaf culture and deaf community to be recognised. Wales already got Wales Language Act 1993, so we demand a BRITISH SIGN LANGUAGE ACT!**
- **We object to the government AGREED Mainstream for all, and keep closing deaf schools! Mainstream is not working and have FAILED! WE DEMAND DEAF SCHOOLS BACK! Deaf Children should have FULL Deaf Education and can access in full (BSL & bilingualism)**
